Previous Experience:

Where and when did you work for UrbanPromise previously? What was your specific assignment?
Do you want to work at the same location?

Additional Information: Please answer on a separate sheet(s) of paper.

1. Write a brief narrative of your previous experience in Camden. Include people and circumstances that influenced you while you served here and why you want to return.
2. Briefly explain how your Camden experience currently influences your day to day life.
3. Briefly describe what you learned about community living during your time in Camden. Based upon this, what will you bring to community life this year?
4. What did you learn about working with children? What are your strengths and in what areas would you hope to grow?
5. What movie and/or book has been a greatest influence on your life since you were in Camden?

Authorization: I hereby apply for placement as an UrbanPromise Intern. I also authorize Urban Promise to initiate a criminal history record check.
